

## Tree Planting Worksheet

My name is: \_\_\_\_\_ Class: \_\_\_\_\_ Date: \_\_\_\_\_

Ithaca Creek is part of the \_\_\_\_\_ Catchment. In my city, waterways make excellent corridors for native wildlife. The best corridors have many native plants, trees and vines.

Why is a diversity of plants important? \_\_\_\_\_  
\_\_\_\_\_

What was the name of the plant you planted today? \_\_\_\_\_

Investigate what role your plant/tree plays in the natural environment.
