# Bug Kidz Insect Show

**A fascinating journey into  
the world of Australian insects!**

Children of all ages love and enjoy the Bug Kidz Insect Show. Through this musical storyline which incorporates insect puppets, the kids will develop an understanding of the role insects play and their environmental significance.

After the theatrical show Lea will conduct an interactive viewing with live and preserved insects. There will also be an opportunity to buy the *Bug Kidz Composting* book at a very special price of \$10 (RRP \$20). The book comes with free email support to help you start composting.

**Also on sale** *A Field Guide to Spiders of Australia* on sale for \$40 (RRP \$49.95)
